

Barb Crooks

Barb,
 What a tremendous, brilliant,
 marvellous intelligent math brain
 you are. Why didn't you ever help me with
 my algebra? Seriously, it's been fun having
 in Eng. You helped me to keep my sanity. Ymurch
 is wild, need-espas? What this summer and don't work
 too hard.

Barb
 What do I owe
 you for getting me
 through algebra?
 You're wonderful in
 everything - except quaterns
 It's been great knowing you,
 even my parents like you.
 Adieu, ma bonnamie
 Maryann

Dear Barb,
 I can't even conceive of
 being such a brain in math.
 You've been an asset to the
 English class, too. Keep up the
 good work. Carol Draper

I'm sorry about your gun
 but no one's perfect, sitting
 in back & you've been
 an expense.
 J.M.C.
 Plaster

Barb -
 I really hope
 have you in my
 classes next year
 especially if you sit near
 me and can give me
 a hint as to what the answers
 are on tests. I'll call you this
 summer probably to see if we can
 get together to do a small trip together
 we could even take a believing you travel
 so still have a world to the wis!
 so seldomly! A sweet sorrow
 Parting is such the heart grow fonder.
 Absence makes the heart grow fonder.
 Ellen '69

They are round!
 Rhody is square!
 Keep up the
 good work
 and you may
 end up like
 what's his name
 in the child
 buyers. John Whelan

Barb, what grades
 you got girl! Have fun this
 summer! I know you will!
 and don't do anything
 drastic like what. Have
 fun
 Nancy
 (69)

Hi Barb -
 I can't quite keep up
 with you trying again
 but I am math with
 in a year. See you next
 fall.
 Pat Gray

Of in heaven we don't meet
Hand in hand we'll stand the heat
And if it gets intensely hot,
Pepsi-cola hits the spot.
Nancy Boston

I guess I couldn't put it better
Nancy's pa will give you
a discount. Tell your sister
her papers were a joy to correct.
You were a joy, too. A walking
computer. Actually I wish you
all the best of success &
happiness in life - you worked
for what you got. See by me
next year, we can make a deal
Jeannette Schwerbel

McKinney made English
rather lively didn't he?
I hope I get in as good
a class next year as
this one.
Jim

Bring 'em in! - All kidding
said, you're really a sweetheart.
Please remain as such.
Trish

70 a real smart
French, Chemistry & Algebra English
It tickles me to think my
70 makes me laugh.
I think you want my
autograph. Good luck
Mike Fletcher

Good luck
in your next year
of P.J. Jacobs. Hope you
like it here!
Debbie

Patricia Tylka, editor-in-chief; Michael Stasko, art editor; and Rose Runde, copy editor; plan our Tattler and keep the other staff members busy.

Organizing our student body section are four apprentices: Carol Napowocki, Rhonda Hainzlsprger, Patricia Mezera and Steven Tillman.

Kathleen Schneider, a master craftsman of the sports section, Karen Rice and Patricia Beard team together to plan the sports section.

Irene Megal takes on the responsibility of the index while Theresia Glaza compiles and types up information for the senior directory.

Helen Lee and Robert Rowen work diligently on Tattler copy. Ella Holmes, Karen Fletcher, Mary Mattson, Christine McGill, Christina Rogers, Judith Kuplic, Brian Eagon, James Colby, Keith Steffen, and Bonnie Bemowski are also on the copy staff but were not present for the picture.

Jane Newby and Sandra Simkowski, new to our Tattler layout staff, combine their talents to complete the administration section.

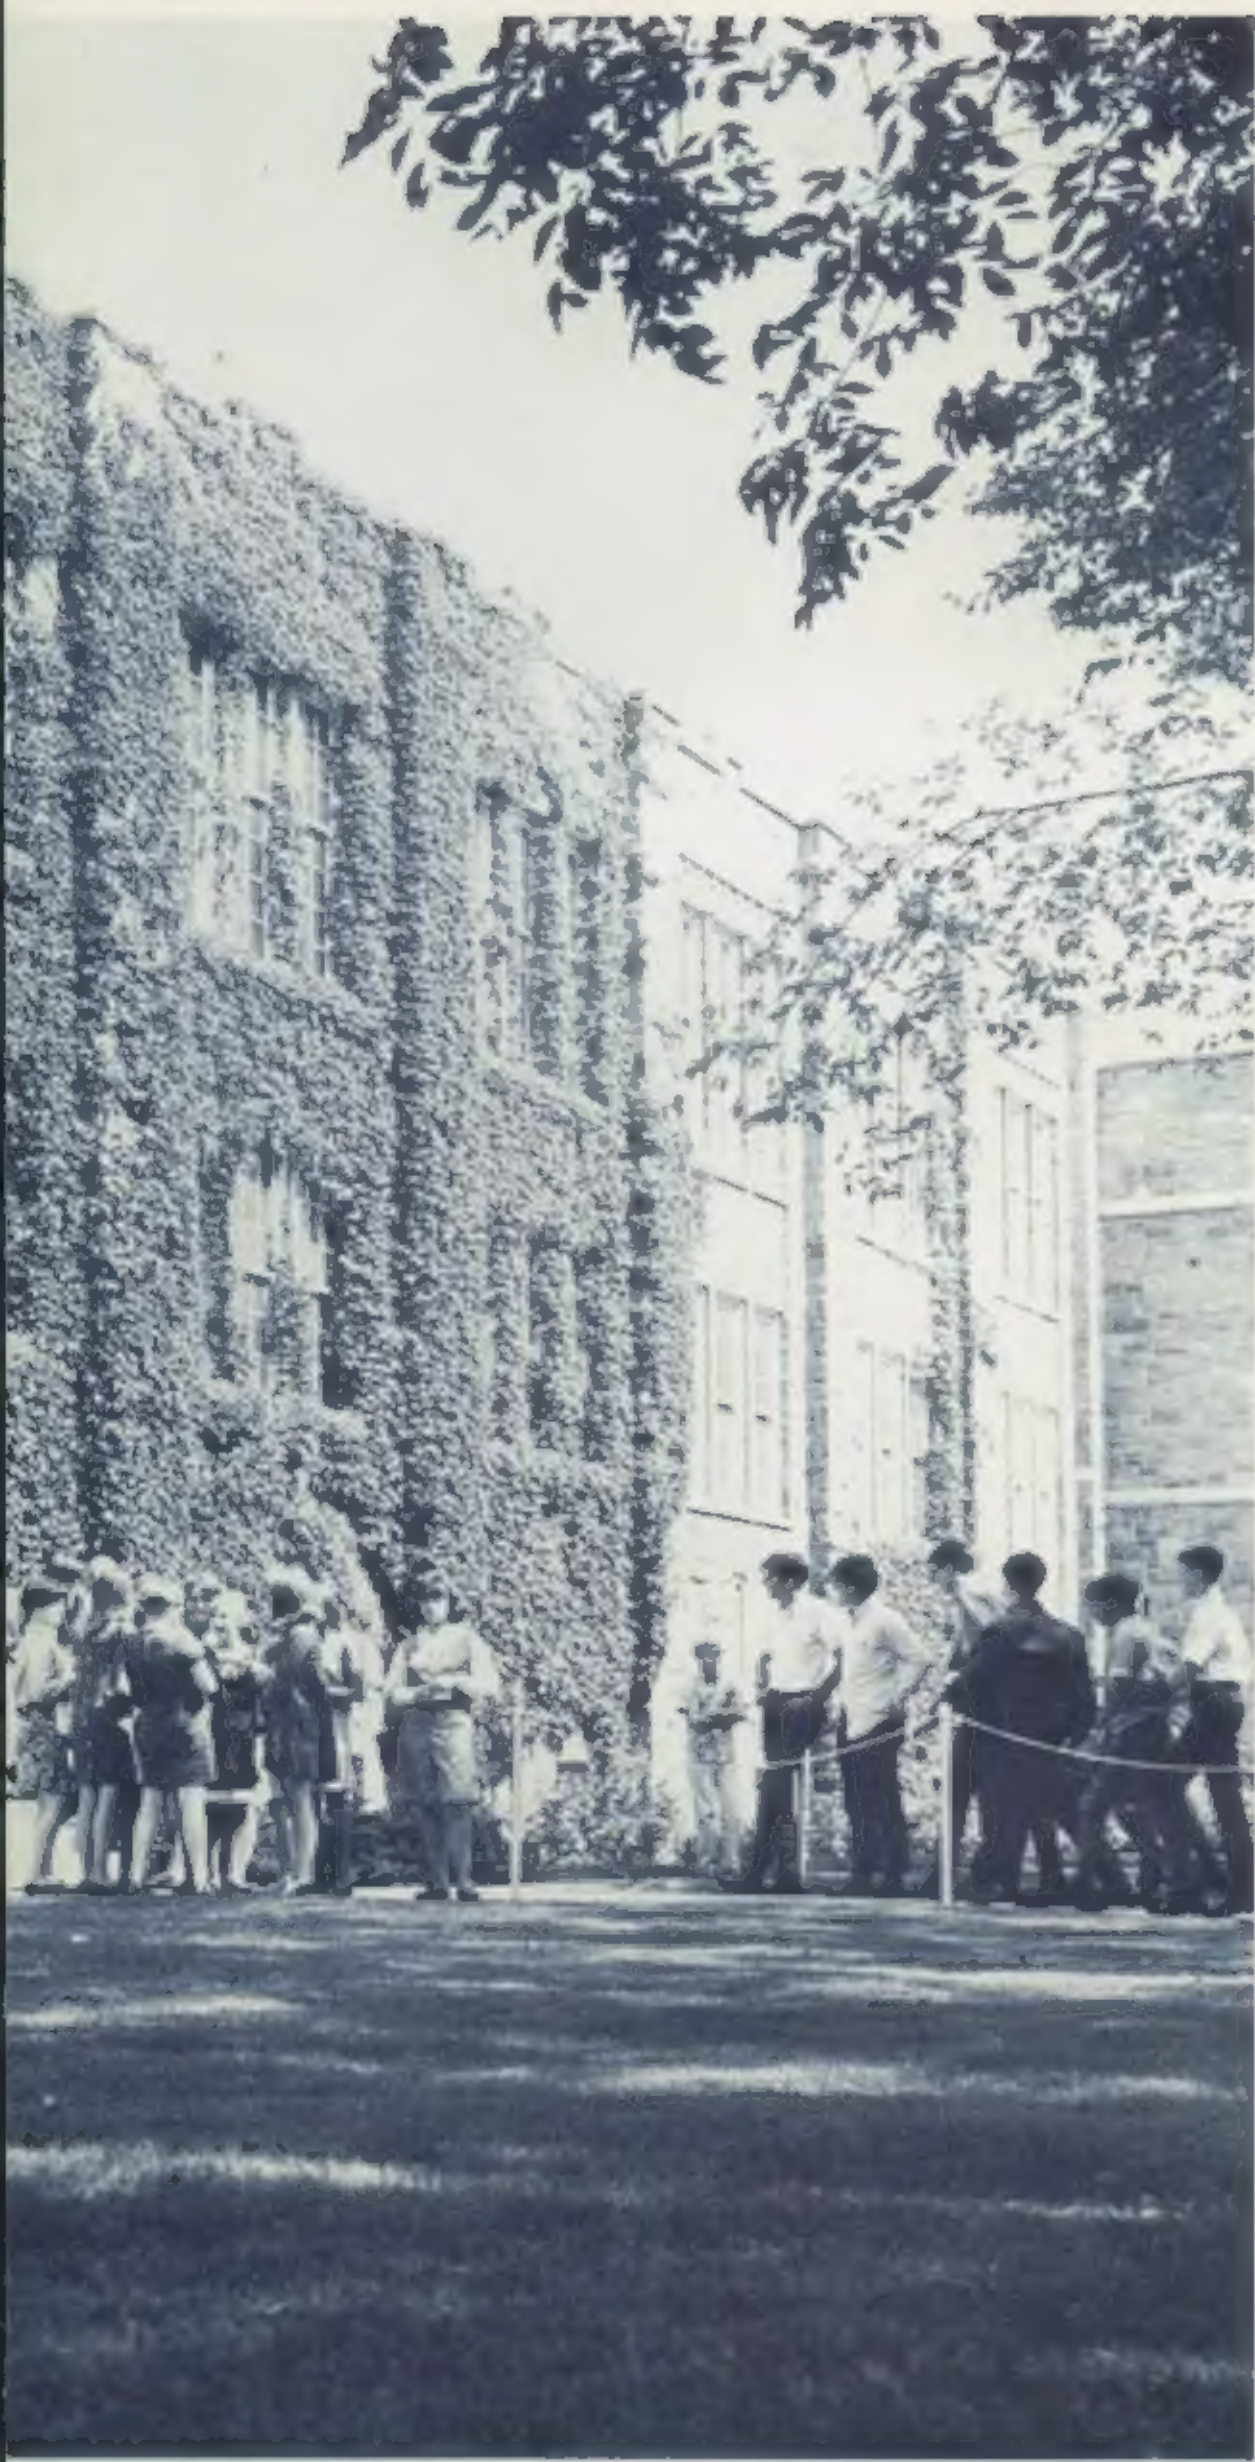

Ruth Hein and Richard Herman snap pictures of our apprentices and mastercraftsmen. Alan Mehlberg is our Tattler's business manager.

Kathleen Sankey works on the Clubs section with zest and zeal while Sherry Edberg and Charles Pendergast work "overtime" to complete our Student Life section.

SLIDE RULE. Top row from left to right: D. Roberts, G. Dominet, I. Stelstra, C. Krembs, R. Rowen. Row two: I. Pavan, T. Glaza, J. Schwerbel, M. Fletcher.

Slide Rule Club

At 7:30 each Wednesday morning about a dozen mathematics students gather for their weekly meeting. They call themselves the "Slide Rule Club". Each member of the club is practicing for competition. The competition isn't the interscholastic form but consists of competition with fellow students for better grades in science, mathematics, or any class that requires accurate computations.

Learning to use the slide rule is easy. The club members learn basic use of the slide rule at the Wednesday "class". Operations covered during the year include multiplication, division, logarithmic functions, square and cube roots, and trigonometric functions. The speed gained by slide rule use can then be applied to simplify mathematic or science problems. Because of this ease, the slide rule has become a valuable tool to engineers, scientists, and other professional people.

The Slide Rule Club's advisor is Mr. Grasamke. The morning classes are taught by senior members of the Club.

Science Club

The members of Science Club all have something in common, an inquiring mind. Individual interest may vary, but every fourth Thursday these people gather to discuss developments in the world of science. On other occasions an individual might bring in a special project he is working on.

When not talking science they plan their coming field trips. One of the trips this year was to the laboratory at St. Michael Hospital.

President John Lehman
 Vice-President Steven Pfeiffer
 Secretary-Treasurer Janet Schwerbel
 Advisor Mr. Sporakowski

Young Republicans

The P. J. Jacobs' club of the Young Republicans is an active club of about 100 young people. The Club actually is a branch of the Portage County organization and does all its work through them. The main activity of the year for the Club is the state convention to which any member can go and get a good picture of a political party in action. The 7th district high school director is Richard Hurlbut, who attended the National Young Republican Leadership Training School in Washington, D. C., in February.

President	John Erickson
Vice-president	Richard Anderson
Secretary-treasurer	Barbara Anderson
Reporter	Jane Froehke
Advisor	Mr. Wallin

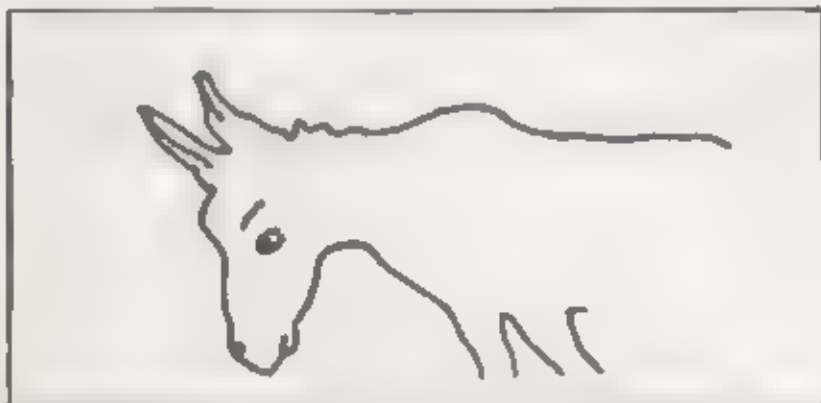

Young Democrats

The P. J. Jacobs chapter of the Young Democrats was very busy this year preparing for the election in November. Whether they were for Johnson, Kennedy, or McCarthy, all were active in the Club, promoting the party. Posters, buttons, stickers, and banners were made or bought and then used to make the students and public aware of the different candidates. The Young Democrats didn't just stay within the high school. They were active in Stevens Point, the county, and the state. All of the members participated in our own high school's mock election, which was held before the primaries. Many attended the speeches of the candidates who were here before the primaries. Others attended the state convention in April, the highlight of the year. The Young Democrats will continue to be very active in the summer, continuing until the elections in November.

President Michael Hobberman
Vice-president Monica Soroka
Secretary-treasurer Rima Abbott
Advisor Mr. Tolleisen

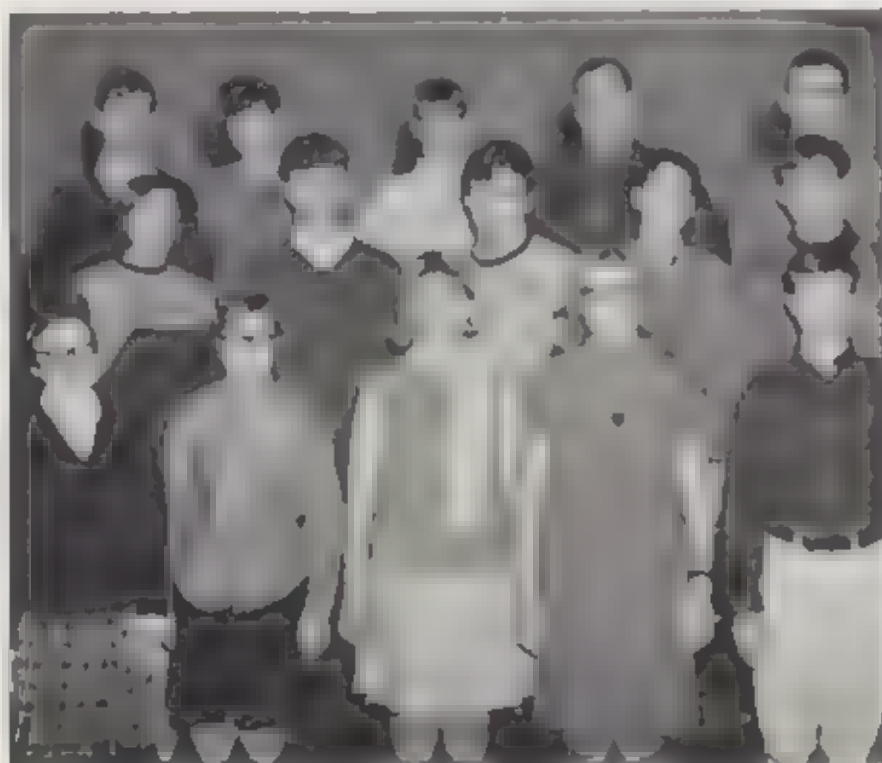

YOUNG DEMOCRATS, Top row from left to right: R. Johnson, G. Clark, C. Pendergast, A. Abbott. Row two: D. Helling, M. Farmer, S. Tillman, T. Orgish, J. Zawadsky. Row three: L. Pavan, G. Dana, G. Hobson, R. Abbott, S. Borski.

Debate

To be on the debate team, you don't need strong arms or legs. You don't have to be coordinated. But you do have to be able to build up your own case while destroying the other side's case. You have to enjoy arguing. You need strong lungs, good hearing, and the ability to function at 5:30 in the morning. But most of all, you need those index cards!

This year's debate team started out the season well supplied with all of the above. The resolution this year was "Congress should establish uniform regulations to control criminal procedures." For some time, the team would get up before the sun and travel many miles for practice debates with other teams. These are the ones Mr. Draper, the advisor, calls "just for funsy." Then, in January, the debates start being "for real-sy." Each tournament determines who will go on to the next section, the final goal being state competition. This year the Class A team won at the district level, but failed to go on at the regionals.

German Club

The goal of the German Club is to help members learn about Germany, its history, culture, and customs. This is done mostly through film strips and slides. The main events of the year are the Christmas party, the spring picnic, and the dance which the Club sponsors. The Club is active during Homecoming, often being the only language club with an entry in the parade. It is also the only language club to announce major events in the language with which it is supposed to be concerned. Tradition has it that the vice-president writes and gives such announcements. Between fifty and twenty people, depending on whether or not a picture is to be taken, attend meetings, which are carried on in English. This year attempts were made to speak German during the meetings.

French Club

The P. J. Jacobs French Club meets the first Tuesday of every month. At these meetings the entire order of business is carried out in French. Various French songs and skits are presented, and French games are played. Special holidays are observed as they would be in France, with refreshments served. The end of the year is culminated with the annual spring picnic.

Through this club its members are given the opportunity to engage in everyday French dialogue.

Latin Club

This year's Latin Club has been particularly active. It has reached far beyond having only monthly meetings and has done much to promote the study of "Latin, the basic language". One of the new things that the Club inaugurated this year was a Latin week. Many posters adorned the halls, reminding the student body of Rome's great influence on their daily lives. Other things that the Club has done this year were to put on an act for the Fair and Dance and to start a new

point system whereby a member could win an award for outstanding service to the Club.

Art Club

With a membership this year of more than fifty, the Art Club has set itself a busy schedule. In November the club witnessed a demonstration of raku firings by Mr. Richard Schneider, a member of the faculty at Wisconsin State University here in Stevens Point. The Art Club and German Club sponsored a January after-game dance. Also on the agenda was a spring trip with the Thespians to the Tyrone Guthrie Theater in Minneapolis. They also planned an art bazaar.

Dues of one dollar per member in addition to receipts from the after-game dance helped finance the events.

G.A.A.

The Girls' Athletic Association is the club for girls who like any and all sports. It offers them an opportunity to improve their ability in various areas of sports. Any girl can join G.A.A. at any time during the year. Many members want to take part in a competitive tournament when they find their best sport. Any sport except swimming can be organized into a tournament. The activities offered to all include swimming, volleyball, basketball, baseball, badminton, and if the equipment is available, gymnastics.

This club operates on a point system. If a girl can earn enough points to qualify, she is eligible for an award at the end of the year. For being an active participant in a meeting, a member earns 5 points. The sportheads are the girls in charge of each different sport. They set up the tournaments and get the equipment ready for use. By being a sporthead, a member earns 25 points. Points can also be earned by participating in outside sports. G.A.A. is a club that can be fun and worthwhile.

Ski Club

At four o'clock on a bitter winter morning, a group of students leave the school by bus. Scarcely conscious, they are thinking of the bone-chilling wind and jarring falls that await them during the coming day. When they reach their destination somewhere in the Michigan Peninsula, they pile out and minutes later are out on the slopes. These are the loyal members of the Ski Club, and their passion is racing down icy hills at suicidal speeds. The main event this year was a two day trip to Mount Telemark.

"S" Club

"Who wants to buy a ticket to the Student Faculty Game?" This was a familiar cry throughout the halls of P. J. this spring. The game was one of the "S" Club's money making projects. Other projects included dances after the Student Faculty Game and the Point-Rapids Game. "S" Club members also ran the concession stand during basketball season.

The money from these projects usually goes to a school improvement project in the athletic field. For instance the new scoreboards in the gymnasium are a good example of the type of projects sponsored by P. J.'s lettermen. The athletic banquet at the end of each year is also an "S" Club affair.

Anyone who earns a school letter in athletics and is willing to work is eligible for membership in the "S" Club.

Orchesis

The Orchesis Club was founded to help promote the understanding and appreciation of modern dance among the students of P. J. Jacobs High School. Its members learn that modern dance is an art form which attempts to say something about the experiences of man through the use of movement.

In the fall of each year, would-be members attend a training period of several weeks after which tryouts are held. As soon as the new members are chosen, work begins on the club's most important event, the annual show. The members learn how to express themselves better through dance as they create the different numbers that will be presented.

This year the show was held April 25th and 26th. The club agrees that it was a great improvement over the shows of past years. The members hope that the club will continue to progress in the years of come.

Catalina

Catalina is a swimming club for girls. Each year the girls put on a show in synchronized swimming. Since this type of swimming needs special skills, there is a training period for prospective members. After this period, tryouts are held in which each girl must demonstrate her knowledge of these skills and perform an original number. The new members are then accepted into the Club. From then on the Club's weekly meetings consist of practice for the annual show.

They also held fashion shows at school and for ladies' organizations. The fashion show at school each spring has always been the highlight of the year. This year,

a new and worthwhile project was initiated. The Club had some members working as "Candy Strippers" at St. Michael Hospital. As voluntary workers, they did errands and jobs for the staff and patients. The Junior Homemakers are being a service to the community.

Visual Aids

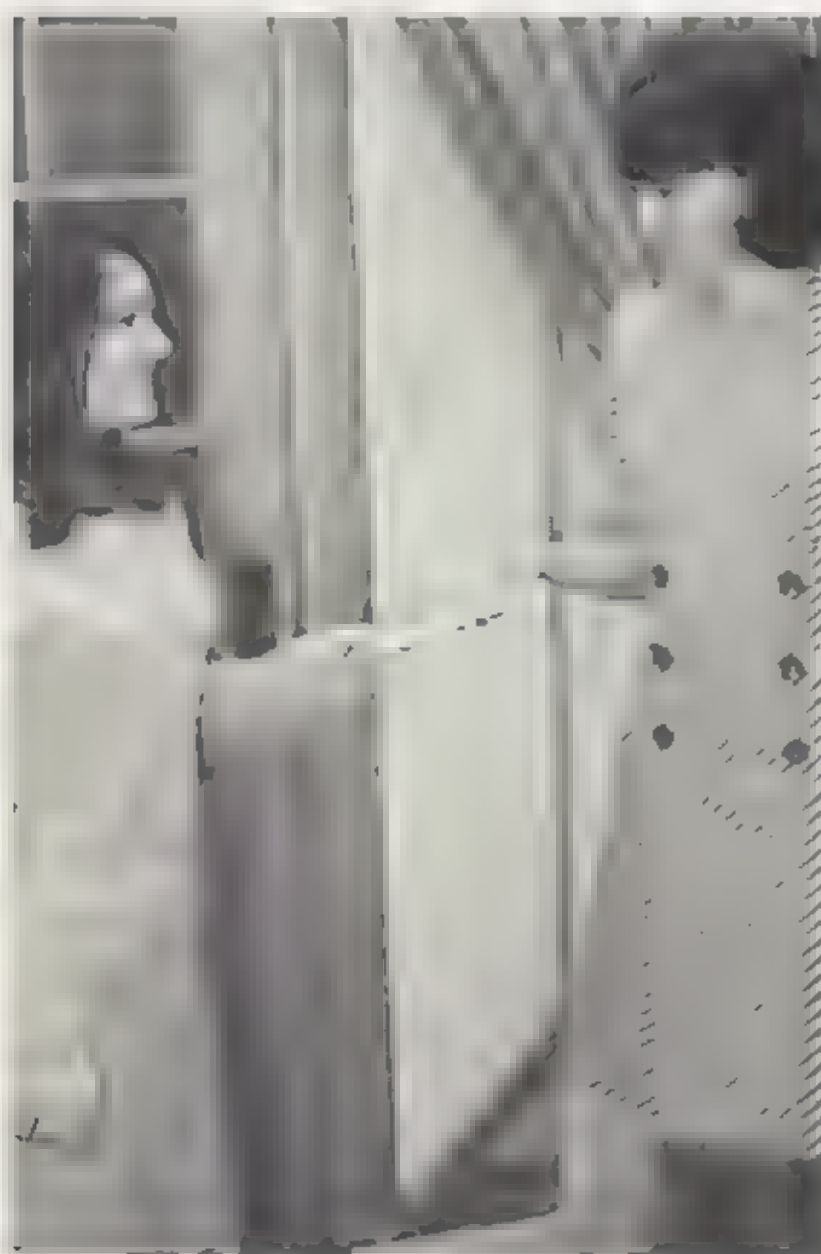

The Visual Aids Department is that group of boys who take care of the needs of all the classes in the use of the audio-visual equipment. These boys are trained by Mr. Wallin in the use of all the film and slide projectors and are on hand at any hour of the day to assist with the equipment. During their spare time they repair broken parts and keep the machinery properly conditioned and in working order. In addition to the projectors, the boys also maintain the tape-recorders and record players. They perform a real service to all the teachers and students.

F.F.A.

The purpose of F.F.A. is to develop competent, aggressive, and agricultural leadership; to participate in worthy undertakings for the improvement of agriculture; and to develop character.

Each year the members of the F.F.A. participate in several different events. The newly elected officers are sent to an Officers' Training Workshop. This year, the officers traveled to Pittsville to attend the workshop.

The F.F.A. members are also active in many types of contests. This year, John Marchel attended the F.F.A. Speaking Contest at Granton.

An April 8, members of the F.F.A. participated in the F.F.A. Judging Contest in Madison. They judged dairy cattle and fat stock.

The Club members celebrated F.F.A. Week this year during the week of February 17-24.

The F.F.A. motto is one well worth remembering: Learning to Do — Doing to Earn — Earning to Live — Living to Serve.

This year the following boys were selected officers for the 1967-1968 school year:

Student Council

The Student Council undertook several ambitious new projects this year in addition to the traditional ones. The biggest of the undertakings was hosting the State Student Council conference in summer, 1968. Patricia Gray was chairman of the committee in charge of this important task. The Council also bought a jukebox to be placed in the gym, had panthers painted on the athletic team buses, had a toy drive, and sponsored a spring dance.

They gave their three customary one hundred dollar scholarships, donated to A. F. S., held the Student Council breakfast, and coordinated Homecoming week.

Student Council representatives are elected to office each spring by their homerooms. Class officers also attend the meetings, which are held every two weeks during class periods. The student body is invited to participate by submitting suggestions in the suggestion box in the library.

Teachers' Helpers is a special group of students who give of their free time to help their teachers. They correct papers, type tests, ditto work sheets, and help to total grades. They not only receive points for the National Honor Society but also gain valuable experience which may prove beneficial in future occupations.

Library Assistants

P. J. Jacobs and his assistants are the responsibility of the assistants. The library is so taken care of by the students. This year ten student assistants form the library staff of Mr. Hall and Mrs. Bowen. Many of these assistants also belong to the newly formed Library Club which is open to all students.

In addition to their regular library duties of alphabetizing catalog cards, covering books, typing book orders and returning books to shelves, Library Assistants have other varied duties. Attendance Workers

Every hour of every day, the hard-working Attendance Workers can be seen throughout the school. Their chief concern is to collect all the attendance cards, including the cards from the trailers and the recreation hall. After they have picked up all these cards, the Attendance Workers enter the names of the absentees on a master list. By using this method, the Attendance Workers are able to keep an accurate account of which students are absent. But there is more to being an Attendance Worker than this. The Attendance Worker also keeps a record of the number of days each student is absent and checks the attendance "honor roll". This is not a list of students who never miss school as you might expect. It is Mr. Boettcher's black list of those students who have been caught skipping school.

Pep Club

The purpose of our newly reorganized Pep Club this year is basically the same as the previous years: to create pep and build school spirits, to encourage attendance at all school functions, and to sponsor the annual school winter formal. This year's formal was "Wonderland By Night" which turned out to be a great success. The Club's projects were selling pom-poms and sponsoring the formal, the spring money-making projects, and "school spirits." Everyone who enjoys working for his school is encouraged to join this club although the membership is limited to one hundred. In order to get into the Club girls must have a C average and be recommended by five faculty members.

After the girls become members, they must continue to earn points throughout the school year in order to stay in the Club. The Club is being actively run by its own appointed officers

Quill & Scroll

Quill and Scroll is the international honorary society for high school journalists. It is difficult to become a member of this organization. To earn the charter we had to submit an issue of our school paper. This is the first year we have had a charter. Students who wished to be members had to be recommended by the editor and advisor of the *Mirror*.

National Honor Society

National Honor Society is an organization made up of students of outstanding scholastic ability and extracurricular participation.

Seniors with a 3.7 grade average and second semester juniors with a 3.0 grade average are eligible for membership. They must also participate in activities ranging from athletics to drama to music. Extra consideration is given for positions of leadership and superior ability. Mrs. Tuszka is the advisor.

Thespians

The National Thespian Club is a club for students who have done outstanding work in dramatics. In order to become a Thespian, one must earn at least ten Thespian points or work one hundred hours on various drama productions, such as Fair and Dance, the all school play, or the spring musical. Every ten hours of work count one point, and new members are accepted at the end of each semester. One doesn't have to have the talent for acting; for there are many different talents needed, including make-up, costumes, props, publicity, sound effects, stage construction, lighting or directing. They also help other clubs prepare their various shows.

Forensics

Forensics gives students the opportunity to develop skills that will always be useful to them—those of oral communication. It is a form of speech which requires a lot of time and a lot of hard work.

Forensics offers many different fields in which a student may participate. In original oratory, the speaker tries to influence the feelings and the beliefs of the listeners. This is done through an eight minute speech, written by the contestant and presented from memory, on some current issue. The non-original oratory differs from the original in that it is written by a person other than the contestant. Extemporaneous speaking is an original five minute speech organized

within a one-hour time limit. A declamation is an eight minute selection cut from a poem or story. Reading aloud from either poetry or prose literature is the basis of interpretive reading. Play acting is a fairly new entrance into forensics. Another challenge to the student is public discussion, which is written by the student.

The contestants in these various fields compete with other school in the hope of progressing to the state tournaments. This is a very rewarding experience for everyone participating in it.

The coaches this year were Mr. and Mrs. Draper, Mrs. Mindok, Mrs. Montgomery, Mrs. Schaars, and Mr. Sus.

Trudy Pierce reigned as our Homecoming Queen

At the dance, Trudy danced with Richard Anderson, her escort for the day.

Our Sophomore class won first place.

Homecoming '67

Homecoming 1967 was one of the earliest in the history of P. J. Jacobs High School. Yet spirit ran high all week. An old custom of class banners was revived. The sophomore class won this competition. Queen candidates were introduced on Wednesday. They were Pamela Allen, Cynthia Albertson, Lisa Pavan, Trudy Pierce, and Mary Wnuk. Locker Poster Day was held on Thursday with the sophomores winning this competition also. Thursday night was busy with the Powder-Puff Football Game and a huge bonfire.

Friday started off with the Queen's assembly. Trudy Pierce was crowned Homecoming Queen. After the assembly, everyone was off to watch the parade, which proved to be bigger and better than any others in recent years. The sophomore class took first place.

The best part of the week came at the game when we won over Antigo, 18 to 14. A dance ended the week's festivities.

Homecoming Week, 1967, was truly a week that was!

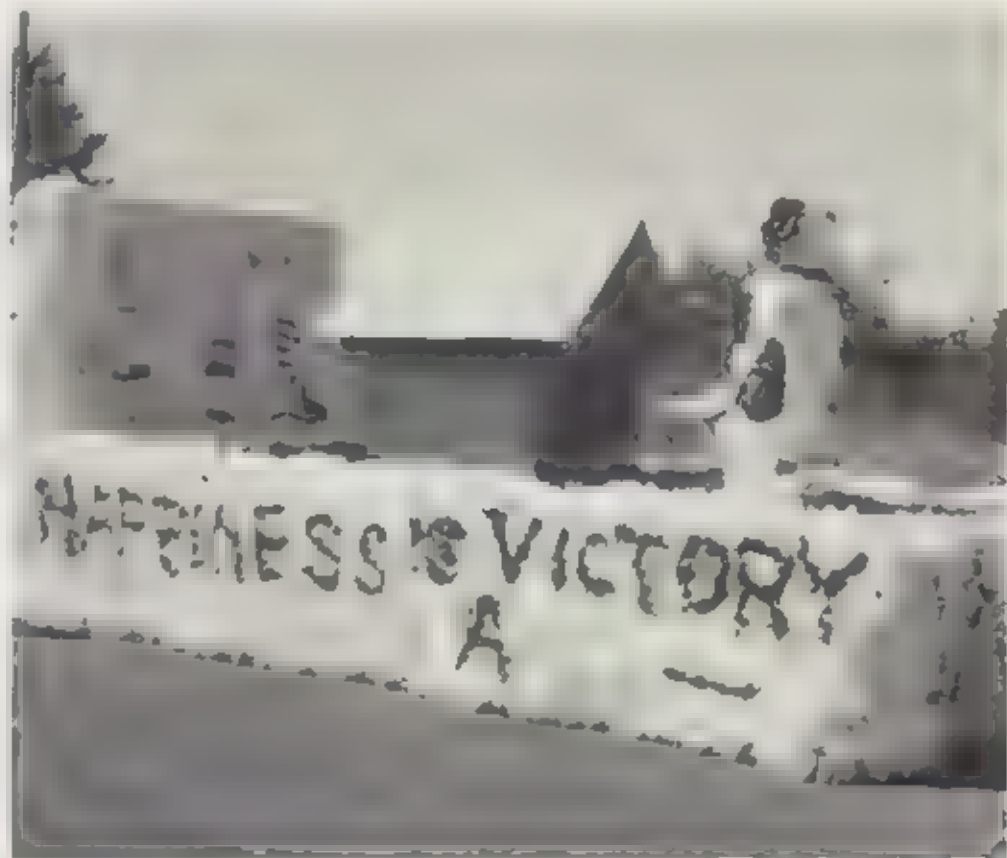

Freshmen and senior girls battled sophomore and junior girls in the powder puff football game.

Students put in many hours working on their class and club floats.

Our four senior varsity cheerleaders rest after cheering our team on.

999 Measures of Happiness

Charlie Brown, Snoopy, and all the Peanuts characters were used as a theme at the 54th annual Fair and Dance Show, directed by Mr. Sus.

Lucretia Leatherlungs, a green, big-mouthed imp, the choir's mascot, assisted in bringing on the senior choir and sophomore chorus, both under the direction of Mr. Schultz. Joanne Hertel, accompanied by Patricia Hummel on the guitar, sang a folk protest song; and a folk trio of Helen Anderson, Gretchen Fothergill, and Elise Westenberger sang a war song.

The Junior Homemakers and Latin Club presented satirical skits. Junior Homemakers offered the "Meller Drammer," a clever take-off on a melodramatic movie. The Latin Club showed us how life with the gods on Mount Olympus really was. Bacchus was portrayed as a drunken teenager and the all-power Zeus found his greatest strength in his arm pits. Orchesis Club danced an original and fresh "March of the Cue Ball" written by Henry Mancini.

Four soloists, Kathryn Geiger, Laura Hansen, Debbie Duchrow, and Linda Check, brightened up the evening with songs from movies, as well as from Broadway and off-Broadway hits. For the last number Kathryn Geiger and David Becker sang "Happiness" from the off-Broadway smash hit *You're a Good Man, Charlie Brown*. The closing remarks of Charles Pendergast, the Master of Ceremonies, was, "Happiness is, in deed, singing and dancing together."

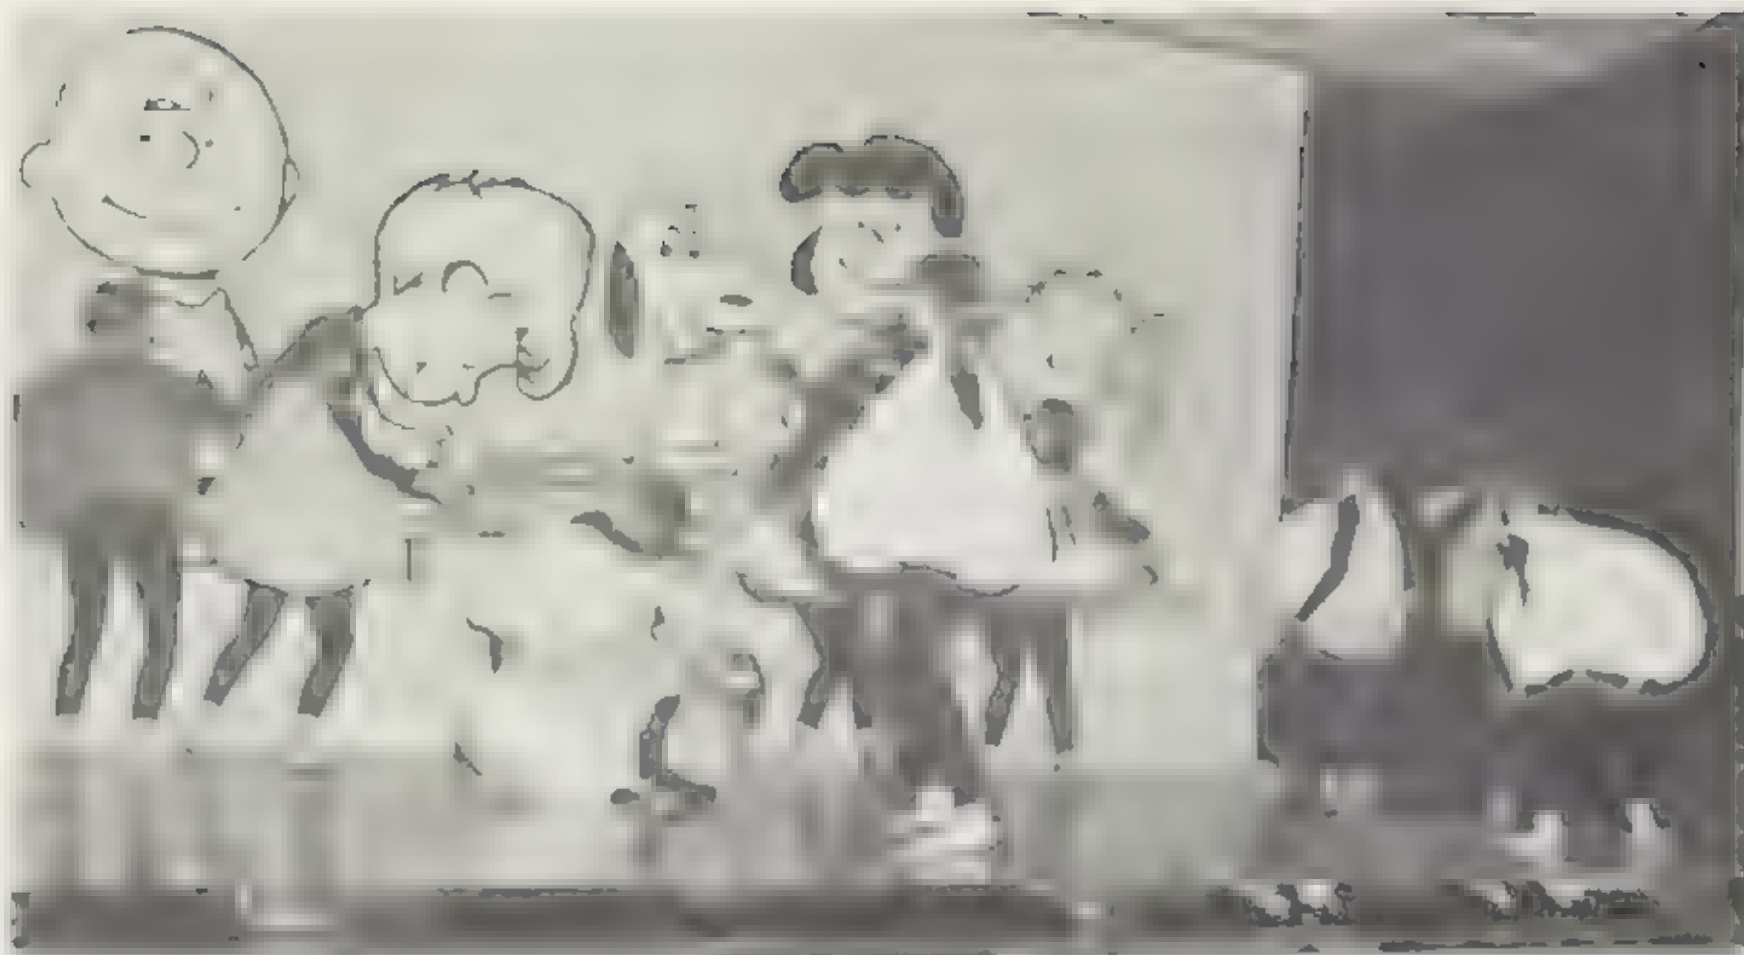

Charles Pendergast, our Master of Ceremonies, and Jane Kenas, our pianist, opened the show.

Debbie Duchrow gave a wonderful singing performance.

Our choir, under the able direction of Mr. Schultz, received tremendous applause from the audience.

Orchestra presented "March of the Cue Ball" which our audience truly enjoyed

Latin Club members had the audience rolling in the aisles when they presented a view of life on Mount Olympus

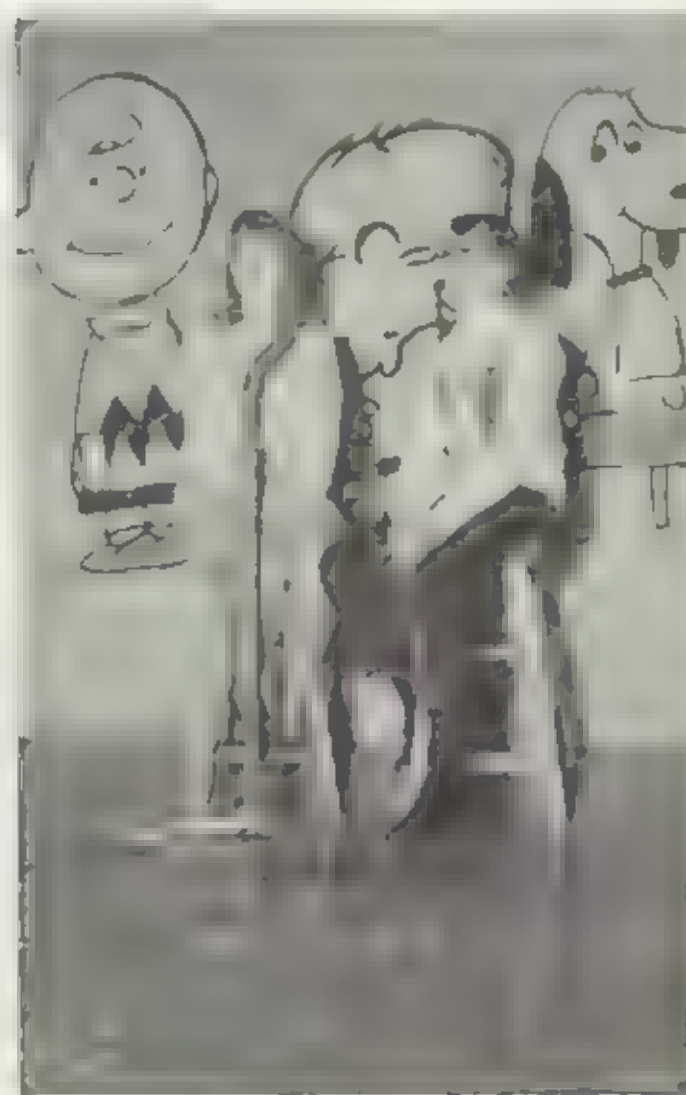

JoAnn Hertel and Patricia Hummel sang and played folk songs for us

Laura Hansen sang beautifully for us

Gretchen Fothergill, Helene Anderson and Elise Westenberger also offered us folk songs.

Kathryn Geiger, who sang earlier in our program, and David Becker closed the show

Donald Edberg livened up our spirits with his hilarious jokes.

Linda Check offered us the sound of her beautiful voice.

Pep Club members presented a Medel Drummer which brought many chuckles from the audience.

Band

The P. J. Jacobs High School Band, consisting of eighty pieces, is under the able direction of Mr. Bernard Zeigler. It can be seen in action during our own Homecoming parade and during the Homecoming parade of the state university here in Stevens Point. The band can be seen marching in the Fourth of July parade, Memorial Day parade, and on other festive days.

Besides marching in the Homecoming parade, the band also puts on a stirring half-time show during the big game. If the weather is favorable, it puts on half-time entertainment during other football games, too.

Usually, the band has three scheduled concerts during the year. The Christmas or Winter Concert is put on in conjunction with the High School Orchestra. The Spring Concert is also put on with the Orchestra. During March, there is a special concert just for the band, when student directors take over the job of leading the band. These student directors are Marilyn Schneider, Patricia Gray, Eric Larsen, Kari Paulson, and Michael Kubley.

Choir

Sixty-four people can make quite a bit of sound and when those sixty-four people are members of the P. J. Jacobs Choir, this sound can really be exciting. The Choir, directed by Mr. Robert Schultz and accompanied by Nancy Boston, probably had more activities this year than any other school organization. The year started with "Fun and Dance" at which the Choir sang selections from "Oklahoma." During the busy Christmas season it performed for several civic clubs and went caroling in the halls, bringing everything to a climax with the annual Christmas Concert. In 1968 a new round of activities started. Many students prepared for the Solo-Ensemble Contest, and the whole group worked toward the Choir Festival, held this year at D. C. Everest. Everyone was later able to enjoy this Festival music at the Choir's Annual Spring Concert. At Commencement twenty-six seniors sang with the Choir for the last time, bringing to an end another interesting and successful year.

Tonight at the Movies

Orchesis Show

"Wonderland by Night"

The annual winter formal was held January 27 in the high school gymnasium. The theme was "Wonderland by Night" and was accented by a fountain, which changed colors continually. As in the past, it was sponsored by the Pep Club, and the proceeds were given to the American Field Service.

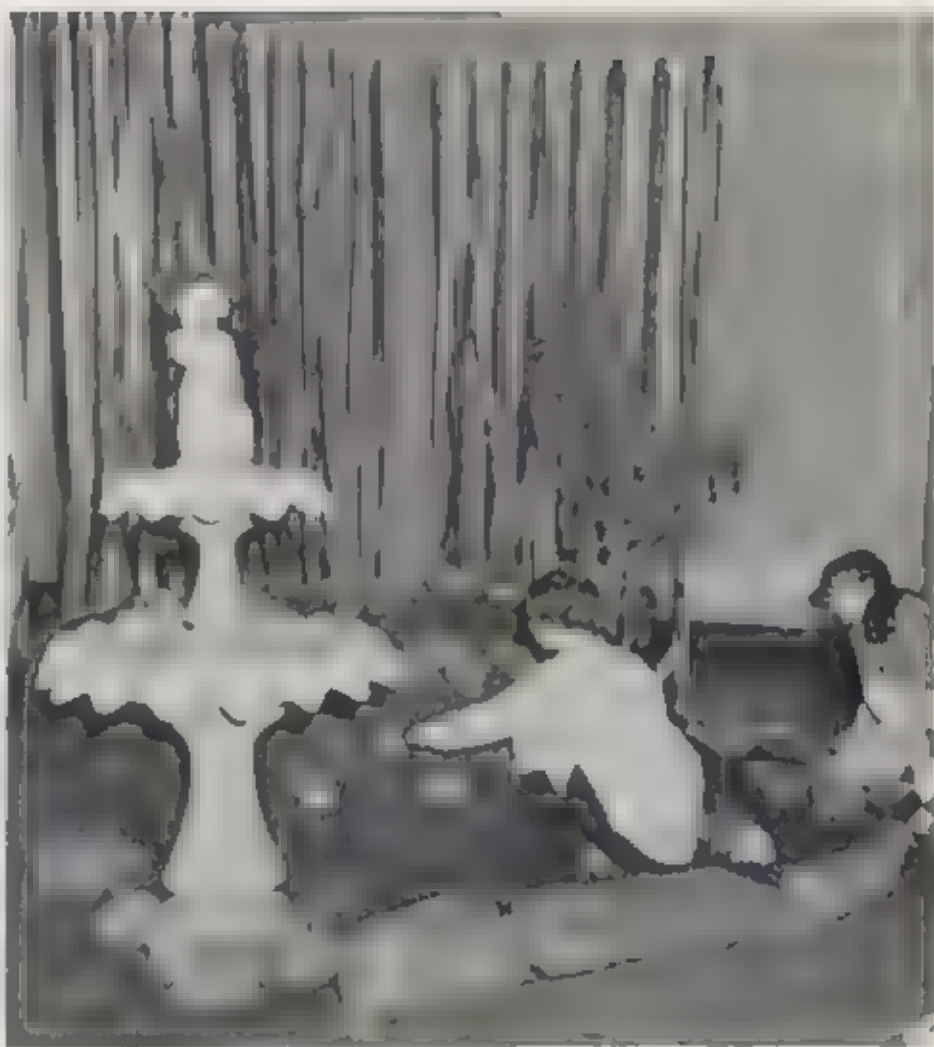

Over 200 people attended the formal with 100 people observing. The Band that played was called "The Chosen Few". The decorating, publicity, and organizing of the formal was headed by Ann Chesebro, with the help of her committee chairmen: Patricia Check, Judy Ebel, Sandra Galloway, Virginia Lascewski, Ann Koschmann, Jane Froehlke, and Janet Uphagrove. Mrs. Brack, advisor for the group, supervised all of the activities.

State

Most people don't realize how some of the awards given to students in our school are determined. The Arion Award is a music award given to a senior who has contributed most to the music department during his or her years in the high school. The D.A.R. Award is given by the Daughters of the American Revolution to a senior girl, and this year for the first time, to a senior boy, who have shown dependability, service, leadership, and patriotism.

The Badger Girls' State and Badger Boys' State awards are given to junior girls and boys. This year our school is sending two girls and eight boys. Both are decided upon on a point system. Points are given for scholastic standing, extra-curricular activities, and adaptability to the Badger State program.

Congratulations From The Following Merchants To The 1968 Graduates

Barb-

It was truly
great having you
in my classes this
year. Especially
history... you provided
the moral of food my
stomach craved.
Congrats on all your
math tests. You're
truly the smartest
girl I ever met.
Be good this summer.
Maybe I'll see you
around.

So the
sister of a
Martian,
that means
foody is a
Martian)

but you are a brick still.
I am ~~angle~~
but you are a better
Mathimation
(one who know
math)

than me

Bye,
Faith

WE SURVIVED
FRENCH AND I
HOPE TO SEE YOU
NEXT YEAR IN AT
LEAST ONE CLASS.
GOOD-LUCK

CARL
YAMBERT

P.S.

You're
still
a
Brick

Barb,
To A
EWU,
Who
Brith.

Barb
It was nice
having you in
D.C. I hope I
have you in
some classes
next year.

Marilyn Hemmell

Hi Barb
It's been nice
having you in Study Hall
Have fun this summer
Good Luck
Linda M.

Hi Barb,
It's been nice getting
to know you this year.
It must be nice being so
smart — See you next year
Linda Fosso

Boy did
 we have fun
 this year. In chemistry?
 (English). French, & gym.
 you sure gave me a few
 bruises but then I'm sure
 I gave you some too.
 Have fun this summer and
 say hi to Mark. 'cause I
 won't see him. Bye

Barb,

What can
 anyone say to a (The high point of
 mathematical genius Engl
 like you. After Les Schwabell
 I find out what
 I got on that chemistry
 test, I imagine I'll
 envy you even more
 I love Haas

Barb, I don't
 know you very well, I
 know you're a weird kid in English
 I counted from one to a hundred
 & counted from one to a hundred
 to another, but I never
 know how to do it.

Barb - I don't
 even know
 what to say
 except the usual
 also remember
 Mark.
